Wishing you a very happy Easter holiday, have a great time with your loved ones and have a safe holiday. May the infinite blessings of God accompany you throughout your life. I wish you peace and prosperity all the time. Happy Easter, May God bless you and your family with the greatest happiness in the now and always!

Having said good wishes to Eater, I would like to pass on my big words of thanks for your charitable contribution of £1000, it is great for us to share among children in need for the Easter festival. I won't forget to send you the photos with my annual report. I hope that the one who will succeed you will continue the same charitable work that you started. We had a great time with you, I and the supported children and their families will never forget you, you and your good work stamped on our hearts with nothing to erase. we will remain in our prayers with you.

On this occasion I would like to inform you that we are going to start Holy Week from next Sunday. You will be remembered in my prayers this coming Holy Week.

Yours in Christ
